

EV. LUTHERAN CHURCH & SCHOOL

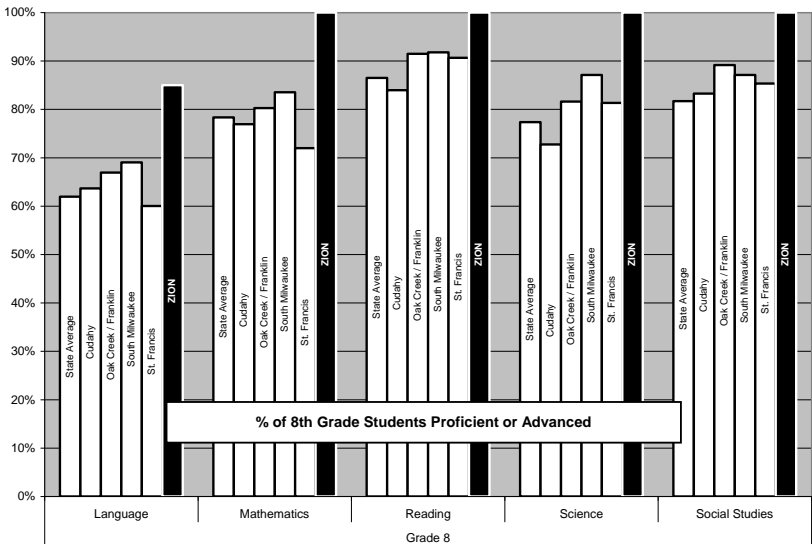

Each year, Zion students participate in standardized testing. The charts at the left summarize the WKCE testing from the fall of 2010.

Results show that Zion performed well overall, with notable results in eighth grade. The eighth grade as a group scored highest in all categories against the comparison district group and achieved 100% proficient or advanced in 4 out of 5 subjects.

For over 100 years, Zion Lutheran has placed a strong emphasis on Christian education. We offer classes for kindergarten through eighth grade, plus a daycare and preschool program.

We encourage you to find out more about Zion! Feel free to visit our webpage, contact us, and make an appointment to tour the school.
