

A family awaits you at Zion

Those who attend our school have often commented that Zion is more than just a school — it feels like family. Zion is large enough to offer many activities to your children, but small enough to get to know the faculty, staff, and other families. At Zion you will find a welcome place where we want to develop relationships with our students and their families.

Our school is just one part of Zion Lutheran Church's program. For over 125 years, we have focused on the entire family and have placed a strong emphasis on spiritual growth for *all*, from the young to the elderly. Please ask us about:

- Sunday School and Vacation Bible School
- Church membership classes
- Baptism for you or your children
- Our local Christian high schools
- Biblical counseling

We want to help in whatever way we can. Just give us a call!

Let us introduce ourselves!

We would love to give you a tour of our facilities and answer any questions you might have about our school or church. Please feel free to call our office between 8:00 AM and 4:00 PM, Monday through Friday. We also give tours during the summer months when school is not in session.

We offer competitive rates for a private Christian education, as well as a special rate for active members of our church and Christian fellowship.

Depending on where you live, you may be eligible for free busing. Contact us to verify eligibility.

Friendly, knowledgeable teachers

One great thing that you can know about our school is that our staff of teachers and pastors is motivated to educate children to the best of their ability, and to do so with the love and compassion of Jesus.

Our teachers are always happy to help you with any questions you may have about your child's academic growth or behavior in school.

Train a child in the way he should go, and when he is old he will not turn from it.

Proverbs 22:6 (NIV)

Nurturing growth

As a Christian school, we differ from a public school because in addition to providing a high-quality, secular education, all areas of learning are presented in the light of God's Word.

Growing in knowledge

Our academic goal is to teach each and every child to become more skilled in using language and understanding the concepts of math, science, social studies, art, and music.

Emotional and physical growth

When possible, we also offer a wide variety of extracurricular activities:

Flag Football
Cross-Country
Kickball
Volleyball
Basketball
Cheerleading
Book Club

Spelling Bee
Geography Bee
Boy and Girl Pioneers
Piano Lessons
Band
Choir
Robotics

ZION OFFERS DAYCARE, PRESCHOOL, AND K-8 UNDER ONE ROOF!
